

Be a Part of the Missionary Experience!

You get to be a part of our Church's mission of evangelization! By your generous support you can help Ryan Simoneaux this summer as he travels to the Philippines for a month-long mission immersion with Family Missions Company. Your help will allow Christ to reach those in need in a very special way.

If you would like to learn more about Family Missions Company and the mission Ryan will be attending, you can email him at simoneauxryan@gmail.com or browse FMC's website: www.familymissionscompany.com

How you can help:

- Recycle used electronics by depositing used phones, ink cartridges, and tablets at recycling bins located in the church vestibule or the church office of St. Joseph the Worker Parish.
- You can donate by contributing to the mission fund at: <https://www.familymissionscompany.com/sponsor-a-missionary>. *Type *Ryan Simoneaux* next to "Mission Tripper Name."
- Not only are the financial means important for missions, but more important are the spiritual means. Please pray for Ryan and those preparing for this mission trip and all those participating.
