**Volunteers are essential for the success of our program. Please consider giving of your time to help make our program the best it can be for your children. All volunteers are required to have Diocesan Child Protection Clearance. This is a simple process and we will gladly assist you with it. Listed below are the areas needing help.**

**CATECHISTS** - assist parents in teaching our youth about our Catholic faith and growing closer to Jesus Christ.

**CATECHIST AIDES** - assist the catechist in the classroom or serve as small group leaders for our larger classes.

**MONITORS** - are a vital part of the safety of our children. They see to the safe arrival and departure of the students in the car line and are on campus during the entire class time helping catechists however needed. Because they are primarily in the lobby area, they are able to monitor any activity in the parking lot as well as being able to see anyone who is coming to enter the building. We ask each family, especially those who have no one serving as a catechist or catechist aide, to consider volunteering as a monitor. The more volunteers we have, the fewer times each member has to serve. Monitoring provides an excellent opportunity for parents and grandparents who are not catechists to be involved in the Christian Formation process of their children.
